

Sagora Basel III Seminar

organised with the support of Leaseurope and Eurofinas

May 25, 2012 - Leaseurope and Eurofinas offices,
87 Blvd Louis Schmidt - 1040 Brussels, Belgium

Understand

Basel III represents a substantial change to the global regulatory framework for credit institutions and thus for financial companies. It introduces new capital requirements, redefines how they are to be met and sets standards for banks' leverage and liquidity management. The seminar, organised by Sagora and hosted by Leaseurope and Eurofinas, offers a unique opportunity to better understand the proposals and their potential implications on the conduct of business.
